

Can I get the low stress
Costa Rica lifestyle with
a low-rate
U.S. real
estate loan?

Yes

Yes, it's easy to retire in paradise! Here in Costa Rica, the cost of living is low, the value of the U.S. dollar is high, and the real estate opportunity is now.

If you have U.S. assets, Jordny can help you fund both the purchase and the construction of your dream home. We can even help you find your ideal property, and manage construction. And, because Jordny offers U.S. financing for Costa Rica real estate, you enjoy lower down payment requirements, lower interest rates, and longer terms. That makes settling in Costa Rica even more affordable.

Jordny also offers assistance making the transition to the ultimate retirement lifestyle. We'll be happy to show you how wonderful—and easy—it is to live the life you've dreamed of. And, when family and friends come to visit, we offer concierge services, cleaning services, even event coordinators and tour guides.

All you have to do, is relax!

So look around. Find the retirement property you've been dreaming about.
