Hello, First Northern!

Want an auto loan rate that's a great deal, for real?

First Northern Credit Union has it.

Our new car rates start at 5.99%, and our used car rates start at 6.99%. And yes, extended terms are available. No

mortgage-sized monthly payments, no credit report going back three

generations, no restrictions on makes or models, no bull. All of which means you can save a chunk of change on your next car, or by refinancing your present car.

So call or visit First Northern today.

For zero percent hassle. 100% satisfaction.
