

How many calls do I have to make to find great commercial property, fund the purchase, finance the construction, and manage the process as well as the property?

one

If you have U.S. assets, just one call to Jordny can secure American financing for your Costa Rican commercial property. You get the funding you need, without paying big down payments or high interest rates. And, we offer flexible terms out to 30 years, making your investment even more affordable.

We fund condominium developments, housing developments, vacation homes, resorts and hotels, restaurants, business enterprises, and commercial buildings. We fund land acquisition and construction. We can even bundle your loans, making it easier for you to acquire and develop multiple properties. And, we can respond to proposals within 72 hours, so you can get started fast.

If you already own property in Costa Rica, we can refinance it to free up cash for development or reinvestment, while saving you money every month. All with the convenience, simplicity, and security of dealing with a U.S.-based financial institution.

Start your commercial empire. Call Jordny today. +877-416-0059 / +805-653-1348
