

The Carlsbad Flower Fields. 53 acres that go on forever.

Every Spring, the hillsides burst forth with color, and the sea breezes carry the sweet fragrance of millions of flowers. It's a Carlsbad tradition. And, the City of Carlsbad is committed to preserving the Flower Fields in perpetuity. Not just as a place of beauty for all to enjoy, but also as a tribute to our rich agricultural history. The Flower Fields are part of our past and our present. And they will continue to be a part of our future.
